Bid to Install Carpet

The City of Greenville is accepting bids to remove and replace all carpet and cove base in the Greenville Area Community Center (GACC) auditorium. Bids are to include all materials, labor, tools, and supervision to complete installation. The warranty shall be clearly stated. Bids shall be submitted in a sealed envelope by the specified bid opening date. Bid shall include all charges.

Scope of Work:

- ◆ Remove all theater seating, supply and install new carpet and cove base, replace all theater seating. Seating must be replaced in good working order. Job shall include proper disposal of all old carpet and cove base, and any other materials associated with the project. The GACC may choose to keep some/all of the old carpet and will advise the contractor after tear-out of the old carpet. The carpet is to be commercial grade, being at minimum a 26-ounce Oflien fiber. Work is to be scheduled and coordinated with the community center and may begin on or after February 8, 2012. Work is not to interfere with activities at the community center.
